In Pennsylvania, you can receive **fines, jail time, and lose your license** for underage drinking - even if you aren't driving.

Possessing alcohol or a fake ID is enough to make you lose your license and pay the fines. You don't even have to be near a car.

IT'S NOT AN IDLE THREAT. IT'S THE LAW.
Just ask one of the thousands who were convicted last year.

DON'T HAVE A LICENSE YET?

If you do not have a driver's license, **you will be ineligible to apply for a learner's permit** for the time period of the suspension.

If you are under 16 years of age, **your suspension will not begin until your 16th birthday**, provided you acknowledge your suspension, and it is received any time prior to your 16th birthday.

IF YOU'RE UNDER 21...

And possess a fake ID OR falsify an ID card to misrepresent your age, purchase, attempt to purchase, possess, use, or transport alcoholic beverages - **You WILL lose your driver's license on the first conviction.**

1ST OFFENSE
90 Day Suspension

2ND OFFENSE
1 Year Suspension

3RD OFFENSE
2 Year Suspension

WHAT'S IT WORTH TO YOU?

- You'll pay a **large fine**.
- It will cost you \$25 to get your license back or permit application considered.
- Your parents **will be** notified.
- If the courts think you need it, you'll be **required to complete an alcohol education or counseling program.**
