

THE GENERAL ASSEMBLY OF PENNSYLVANIA

SENATE BILL

NO. 7
Session of 2025

INTRODUCED BY _____ October 9, 2025

REFERRED TO SENATE EDUCATION COMMITTEE

Allowing Interscholastic Athletics to Satisfy Phys-Ed Requirements

This legislation will make it so that a student's participation in interscholastic athletics will exempt them from their physical education curriculum requirement.

School boards will be able to set criteria at their own discretion, such as regular practice attendance, participating "in season", or other similar criteria that they deem fit.

This legislation will not exempt students from the academic standards required for health, safety and physical education.

Interscholastic athletics shall mean athletic contests or competitions conducted between or among school entities situated in a school district.
